BANGALORE,

12th October 1911.

MEMORANDA COVERING EXPERIENCE AND POSITIONS

HELD BY C. F. BEAMES,

MEMBER A.I.E.E.

****

September 1890 to January 1894.

Thomson-Houston and General Electric Companies, Lynn, Mass., special courses in the mechanical and electrical departments and sub--sequent transfer to the Engineering Department in charge of experi--mental and commercial testing of railway, lighting and power appara--tus under Mr. H.G. Reist.

January 1894 to June 1895.

Engineering Department General Electric Company, Schenectady, in charge of special testing and experimental work in connection with monocyclic and polyphase power transmission apparatus under the direc--tion of Dr. Chas. P. Steinmetz, also the installation and starting up of the then largest A.C. generator manufactured by the Company and installed in St. Louis, Mo., also occasional trips through the East--ern States investigating and correcting difficulties encountered with apparatus.

June 1895 to November 1896.

Assistant District Engineer, Chicago Office, General Electric Company, time being divided between engineering work in the office and in the field, having supervision of the installation of railway, lighting and power apparatus through the Central West, also investigations

of an engineering nature.

November 1896 to July 1900.

Engineer Mexican General Electric Co., City of Mexico, du--ties involving commercial, engineering and construction work, with special attention to power transmission and railway work. Among the installations coming under my immediate direction was the origi--nal electrical equipment comprising generators, switchboards and car equipments for the Mexico Tramways Co., Mexico City, together with the correction of the various faults attending the early hydro--electric installations and transmission of power by high voltages at Puebla, Pachuca, San Raphael, etc.

July 1900 to July 1905.

Chief Engineer and Superintendent of Construction Mexican Gas and Electric Light Co., Mexico City (since merged with Mexi--can Light and Power Co.) in charge of operation of three steam--electric plants and distribution, also erection of new three phase system including Central Station 106 miles of overhead circuits and 65 miles of underground cables for lighting and power purposes.

July 1905 to December 1907.

General Manager San Juan Light and Transit Co. (now Porto Rico Railways) San Juan, Porto Rico, complete charge of the manage--ment of electric railway and lighting systems, also representative in Porto Rico for Messrs. J. G. White & Co. Inc., of New York, Porto Rico Power and Light Co. and Caguas Tramway Co., in matters pertain--ing to franchises before the Government, courts, etc. Upon return to New York continued in the service of Messrs. J. G. White & Co., de--voting the majority of my time to examinations and reports upon public utility corporations in the United States, Mexico and Panama.

(12)

August 31, 1909.

Resigned from Messrs. J. G. White & Co., to accept the position of General Manager for Cobalt Power Company, Limited, Cobalt, Ontario, March 15th, 1911, also appointed General Manager of the Nipissing Central Railway and General Manager of Cobalt Hydraulic Power Company, Ltd., together with the operation of the Light and Power systems in Cobalt, Haileybury and New Liskeard. Resigned service on 10th August 1911 to take up service under My-sore Government.
